Only the best conveyancers

We only work with a select panel of top-rated conveyancers, who are incentivised, regulated and performance-managed to provide uncompromising quality.

Fixed fees for all parties

Whether you're a mortgage broker/introducer, conveyancer or customer, our pricing model ensures everyone is treated fairly.

Exceptional customer service

Delivering an outstanding customer experience is at the heart of what we do. We'll ensure your customers' needs are met at every stage.

Real-time updates

Our cutting-edge technology ensures the conveyancing process is transparent. Whenever a milestone is achieved or a communication sent, all parties are updated.

Faster quoting and instructing

Seamless technology integration means conveyancing quotes are at the click of a button. There's no switching between different systems or retyping information.

No completion, no legal fees

We're so confident in our service, that your clients won't pay a penny in legal fees until their transaction has successfully completed.
